

Tonttukylä - Santa Claus Museum

The largest Christmas decorations museum in Finland, with more than 11000 objects on 540 square meter. Old Christmas and Easter decorations, dolls, toys, teddy bears, mechanical dolls and elves in a 18th century peasant environment beautifully furnished with furniture and utensils from the 18th century. There is also a summer café, a toy restoration workshop, a motor barn and gardens in the museum area.

Open for groups all year around and to the public in the summer.
